BIO

I am a freelance designer and art director.

I spent eight years of my professional life helping clients find their visual identities and bring them to light in the best way possible.

I have worked with small and large businesses including Jeffries and Madison, Harper and Partners Inc., Stipple Unlimited, and Arivaci & Co.

WORK

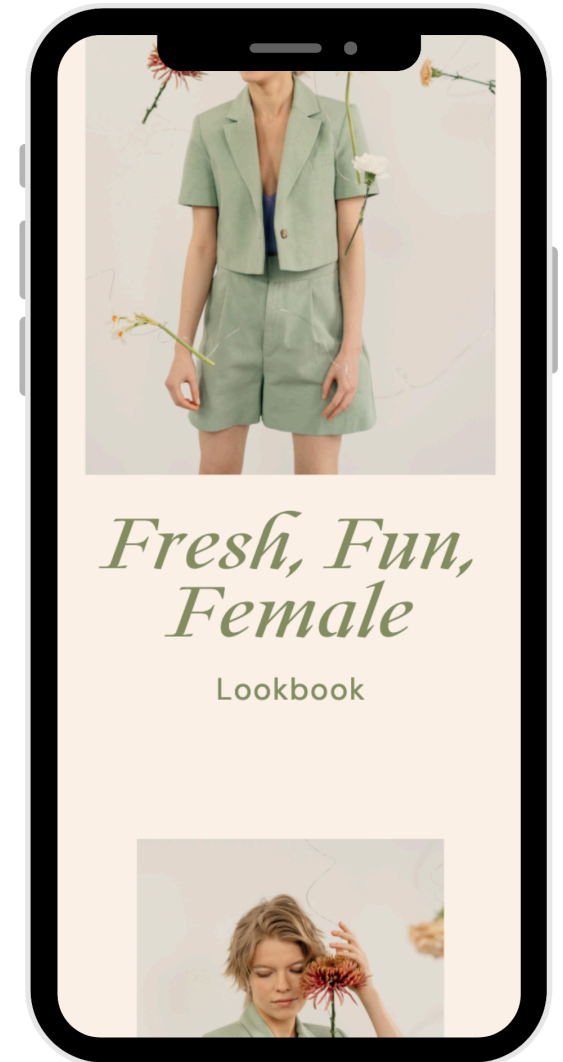

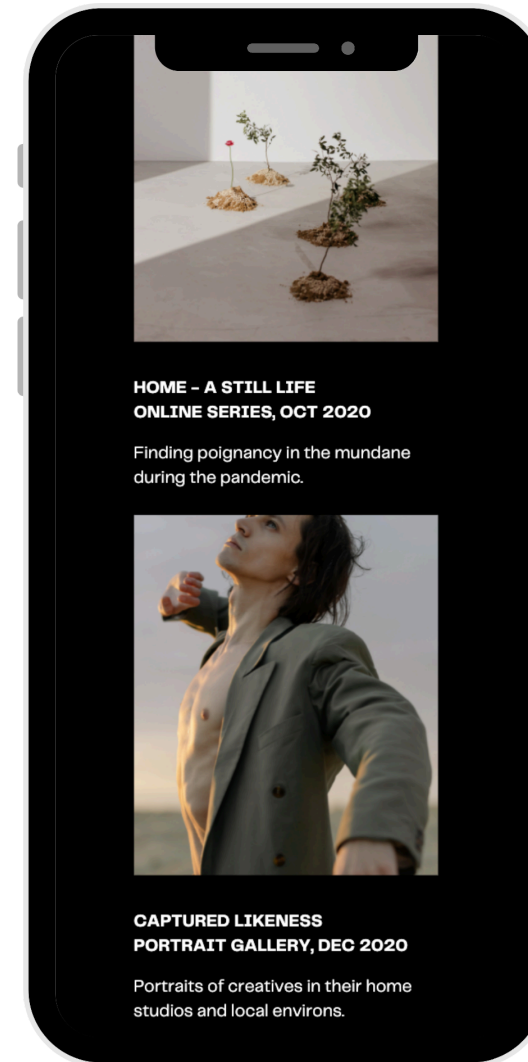

Brand Identity

I worked with a local clinic to create a simple, thoughtful and approachable brand identity. We agreed on a two-color scheme and modern forms as the key elements.

Brand Redesign

I helped a well-loved company update their visual identity and transform their brand into something fresh and more aligned with their new business direction.

Web Design

I helped a new brand with the design of their website and online profiles.

Logo Design

I worked with clients from different industries to create unique and memorable logos for their businesses.
